

ABOUT US

We are not an organization. We are a group of people who have chosen to organically and loosely connect to do what God calls us to do to bring about the vision we believe we have received from God concerning the entire state of North Dakota and the Black Hills.

We are not asking anyone to be a part of any organization. We hope you will listen to our story. If you sense the Holy Spirit in it, pray for God to show you the part you have in God's plan and then go do it. Someday we would love to hear your story.

The message of the day from God is "Set My people free", "Let My people go" and "Come out of Babylon". God created us as unique individuals and He says He will teach us the way. All we need to do is learn to hear His voice and then obey. We don't need approval from anyone, but God. Be free!

"Today, millions come to see the faces made of rock. Tomorrow, millions will come to see the face who is the Rock." - God

Joy Mountain Ranch

Vision for the Ekklesia
North Dakota / Black Hills of South Dakota

Joy Mountain Ranch

The founder of Joy Mountain Ranch had a dream in 1985. God led her to the heart of the Black Hills where He began to give her understanding of His plan for this part of the nation. The dream showed a very clear and strong connection between Bismarck and the Black Hills. God led her to Bismarck in 1996 where she began to see the connection more clearly and it covered the entire state of North Dakota.

Twenty plus years later, God moved her back to the Black Hills to provide further revelation of what it was He wanted to establish. She then wrote the book "Establishing the Ekklesia" which may be found on the Joy Mountain Ranch website.

God began to show her how the Ekklesia (Greek word translated as Church in most Bible translations) must mature in the things of God in order to be effective at advancing the Kingdom of God on earth. North Dakota and the Black Hills are instrumental in producing the paradigm shifts that must take place in order for the Ekklesia to mature. Much training in maturity and in understanding of the true Kingdom of God will come out of this region and spread throughout the USA and other nations.

There was a time when the Black Hills was being considered as a site for the United Nations. It was not to be. However, the founder believes it was a spiritual glimpse of God's plan to touch the nations from this place.

ND and the Black Hills

- The Lord of the harvest will be revealed to farmers
- Bismarck and the Black Hills are communications and distribution centers
- "Discover the Spirit" was the motto on entry signs to the state and license plates for years. That was meant to portray the spirit of ND. However, we believe God designed and meant this to represent the Spirit of the Living God. In the state of ND there will be an explosion of divine power birthed by Holy Spirit.
- The nations will be reached from both North Dakota and the Black Hills.
- Pioneering spirit in this place
- Great Joy will overtake ND
- Dutch Sheets (2004) God said, "You wait! I am going to do a new thing in that State that will become a model, a pattern, that will be a successful thing that others will be able to see. Don't look with your eyes. Don't judge by what you know, for I have chosen ND for a new thing."
- And so much more.....

Mature Ekklesia

"Ekklesia" is the Greek word for "church"

- Operates as the one new man with Jesus as the Head
- Hears God clearly and obeys
- Understands the Father heart of God
- Freedom from the spirit of religion
- God's Kingdom is the focus, not the kingdom of self
- True understanding of unity and submission not what has been taught through religion
- Operates in discernment
- Consumed with Jesus
- Operates in righteousness, knowing what is right by God's standards and not our own
- Longs to know the wonders of Jesus
- Longs to experience the overflowing power of His resurrection working through us
- To be one with Him
- Experiences the fulness of Jesus
- Runs with passion into His abundance
- Knows purpose for His giving us life
- Dependent upon His strength
- No longer carnal minded

Kingdom of God

The Kingdom of God is nothing more than any place Jesus is King. It happens first in your own heart and life, then it can affect the areas of society in which we live and participate.

Your kingdom come, Your will be done on earth as it is in heaven.
Matthew 6:10 (AMP)
