

We have much to say about this topic although it is difficult to explain, because you have become too dull and sluggish to understand. For you should already be professors instructing others by now; but instead, you need to be taught from the beginning the basics of God's prophetic oracles! You're like children still needing milk and not yet ready to digest solid food. For every spiritual infant who lives on milk is not yet pierced by the revelation of righteousness. But solid food is for the mature, whose spiritual senses perceive heavenly matters. And they have been adequately trained by what they've experienced to emerge with understanding of the difference between what is truly excellent and what is evil and harmful. Now is the time for us to progress beyond the basic message of Christ and advance into perfection. The foundation has already been laid for us to build upon: turning away from our dead works to embrace faith in God, teaching about different baptisms, impartation by the laying on of hands, resurrection of the dead, and eternal judgment. So with God's enablement we will move on to deeper truths. Hebrews 5:11-14–6:1-3 (TPT)

Prepare saints and leaders:

- to journey everyday with the pursuit of knowing God
- to fix our eyes on Jesus and being like Him
- for being a godly leader wherever God plants them
- to understand leadership is a ministry of service, not control
- to receive not only knowledge but wisdom and understanding, rightly dividing the word of truth
- to disciple nations
- to advance the gospel of Kingdom of God on earth, not the “gospel of the church”
- To be critical thinkers guided by Holy Spirit with the ability to search and study for ourselves and not be blind followers of men/women and their teachings
- to understand and operate in maturity
 - hearing and obeying the voice of God
 - walking spiritually not carnally
 - discerning holy versus defiled
- to understand the Ekklesia and its purpose
- to understand the Kingdom of heaven and the Kingdom of God and how the Kingdom operates through righteousness and justice
- without indoctrination, but guiding saints to learn to discern the different voices they may hear
